THE 7 LEVELS OF FINANCIAL FREEDOM

Abundant wealth	Money isn't a concern. You have more than you'll ever need.	7
Financial independence	You can live off the income your investments generate.	6
Flexibility	You have at least two years of expenses saved. You could take a year off work.	5
Stability	You have no 'bad' debt and six months' worth of expenses for emergencies.	4
Breathing room	You're saving some money and no longer living paycheck-to-paycheck.	3
Self-sufficiency	You've moved out of mom and dad's and can cover your expenses.	2
Clarity	You figure out where you are financially, and where you want to go.	1
