# VACANCIES

Heritage Petroleum Company Limited is inviting talented, innovative, passionate and suitably qualified persons to apply for the following roles. We are a state-owned company in the business of exploration, development, production and marketing of crude oil. Our operations are primarily located within southern Trinidad & Tobago with non-operated assets off Trinidad's north and east coasts.

ROLE	QUALIFICATIONS
<p><b>OFFSHORE</b></p> <p><b>Operations Supervisor</b> To coordinate the reliability and availability of production assets, personnel and equipment to support the operations.</p>	<ul style="list-style-type: none"> <li>• Engineering Technician's diploma.</li> <li>• A minimum of three (3) years' experience in oil and gas production operations.</li> </ul>
<p><b>Production Team Lead</b> To plan and oversee the reliability and availability of production assets and equipment to support the operations across the identified acreage.</p>	<ul style="list-style-type: none"> <li>• Bachelor's degree in Mechanical Engineering.</li> <li>• A minimum of five (5) years' experience in operations with a minimum of three (3) years in the oil and gas industry in a supervisory role.</li> </ul>
<p><b>Planning Analyst</b> To assist in the development of long-term goals, business objectives and execution strategies in alignment with the Company's strategic direction. To identify, analyse and monitor issues that may impact profitability, growth, and productivity and recommend strategic alternatives.</p>	<ul style="list-style-type: none"> <li>• Bachelor's degree in Accounting, Finance, Business, or Engineering.</li> <li>• A minimum of five (5) years' relevant working experience with a minimum of three (3) years in the oil and gas industry.</li> </ul>
<p><b>BUSINESS DEVELOPMENT</b></p> <p><b>Business Development Analyst</b> To conduct research, feasibility assessments, project selection and conceptual engineering required for the development of short to medium-term projects.</p>	<ul style="list-style-type: none"> <li>• Bachelor's degree in Finance, Management, Engineering, or Natural Science.</li> <li>• A minimum of eight (8) years' experience in the energy sector with a minimum of three (3) years in the field of Business Development in a supervisory position, preferably in the oil and gas industry.</li> </ul>
<p><b>INFORMATION TECHNOLOGY</b></p> <p><b>IT Lead - Applications</b> To oversee the identification, design, implementation and maintenance of cost-effective business application solutions.</p>	<ul style="list-style-type: none"> <li>• Bachelor's degree in Computer Science or Electrical &amp; Computer Engineering.</li> <li>• Project Management Certification will be an asset</li> <li>• A minimum of eight (8) years' relevant IT application support experience with a minimum of three (3) years in a supervisory role, preferably in the oil and gas industry.</li> </ul>
<p><b>PROCUREMENT</b></p> <p><b>Purchasing Agent</b> To procure materials, equipment, supplies and services to support cost-effective operations.</p>	<ul style="list-style-type: none"> <li>• Associate degree in Supply Chain Management or Business or Chartered Institute of Procurement &amp; Supply Professional Diploma Level 4 (MCIPS).</li> <li>• A minimum of five (5) years' related buying/procurement experience with a minimum of one (1) year in the oil and gas industry.</li> </ul>

MARKETING SERVICES LTD

# WE ARE HIRING!

## SALES REPRESENTATIVE

**Overview:**

The sales associate is in charge of soliciting orders from current or potential distribution channels while generating profits and attending to customer requirements. This job will serve as a point of contact for customers and the organization and will be in charge of delivering prompt, high-quality service that is professional and outstanding. It will be necessary for this position to solve issues precisely and effectively. You will also be in charge of planning promotions, generating marketing materials, and performing market research as a marketing representative.

**Requirements:**

- Generating sales leads for the group and its clients.
- Assist in developing and performing effective sales strategies to increase company sales.
- Submit recommendations on the negotiating of contracts with prospective clients.
- Conducting sales presentations to a range of prospective clients.
- Assist in the coordination of sales efforts with marketing programs.
- Visiting clients and potential clients to evaluate needs or promote products and services.
- Conduct market research and identify new opportunities.
- Monitor and report competitors; marketing and sales activities.
- Represent the organization and its clients at conferences, trade shows, and events as requested.

**Skills & Qualifications:**

- Minimum of 5'O level passes including Mathematics and English.
- Certificate in customer service is an asset.
- Minimum 2 years relevant work experience in a similar position.
- Proficient in Microsoft Office.
- Ability to multitask and prioritize tasks and excellent time management skills.
- Experience working in a fast paced, dynamic environment.
- Team oriented with good interpersonal skills and communicates well across all levels.
- Experienced in utilizing all Social Media Platforms; such as Facebook, Instagram, Tiktok & WhatsApp.
- Must be 25 years and over with a valid driver's license.
- Applicants around the Eastern corridor are preferred; Sangre Grande, Valencia, Arima, Arouca.
